Thanks to everyone for helping to put on a great event. We had a few last minute "challenges" but everyone pulled together and got it done. Thanks to loop captain Mark Slater – the course was great and was well received by the racers. Thanks to everyone who helped: the Check crews, Sign up, Start crew, Finnish crew, BBQ crew, Bomb crew, Sweep guys, Senor Guzman, and all those I forgot. Special thanks to those that sacked it up on Sunday morning and got things together in short order – you know who you are and it's appreciated. *(note from Prez Klaus enclosed)*.

July 22nd 2007 Hilltoppers MC, Round 5 of the SoCal Motocross Summer Series.

At last week's Hilltoppers meeting, we voted in favor of hosting an MX race on July 22nd. This race will be round number 5 of the AMA So Cal Championship Motocross Series. This is a summer series consisting of 9 races. <http://www.amasocalmotocross.com>. This is not a "from scratch" race for us. Track will be prepped, all we do is run the races, score the races, flag the races. Basically we just show up for the day and run the race program. Location is Competitive Edge MX Park in Hesperia, this will be a night race. Hilltoppers are allowed to ride this race as well. Stay tuned for detailed information as things get finalized.

12-11-06

I would like to Thank everyone who attended and worked the Hilltoppers Halloween Desert Scrambles 2006. The HTMC Desert Scrambles turned out to be a great success with 306 entries, about 25 less than last year but a Great turnout due to missing the D-37 mail out. We also had a minimum of reported injuries. The course was exceptionally well marked thanks to our marking crews and course captain. Special Thanks to Al Guzman for supplying the check kits and scoring the event for the Hilltoppers, He did a fantastic job as usual with all stewards' reports and results complete within several days, the results were sent out Thursday 11-09-06. Also, a Special Thanks to Bill & Sandy Howell, Rollin Severence, Tracie McKisick, Robert Mathis, Mike Larkin, Aurora Garjian, Pat Leal, Bob Jackson-Rescue 3, and Mike Dailey, Dave Burgess, Jim Reis and Keith Parker for coming out to sweep and tie ribbon. Trophy pickup will be at the Jackrabbits Hair & Hound, January 13& 14, 2007 at Red Mountain. Again, Thank You to all for a fine job, you can all be proud of this achievement for producing a quality event.

Wishing all of the members, family and friends a Very Merry Christmas and a Great 2007 !!!
