### Hilltoppers Events

#### Feb 16-17<sup>th</sup> 2008 Hilltopper Club Ride, Fun Weekend

##### Where: Cal City/Randsburg

Get off your butt and let's ride. All Hilltoppers are expected to attend, you should feel bad about yourself if you don't make this one. Let's get's together and have some fun prior to the GP in April.

##### Saturday:

- Denby will lead a motorcycle only ride on Saturday morning. Good mix of terrain, will be some good single track, off the beaten path trails. Denby is the Cal City master.
- After that, everyone can either head to Randsburg or we can do an "everyone" ride to the Husky Memorial.
- Saturday night BBQ and world class bench racing. We will have the grills, please bring appetizers, side dishes and whatever you want to throw on the grill.

**Directions:** Hwy 395, North of Kramer Junction, exit 20 Mule Team Pkwy/Cuddeback rd. Turn East (right for most of you). It will be marked from the Hwy 395. Head down Cuddeback approx .5 miles and look for camp. Denby will be there Friday morning, others will arrive Friday afternoon/evening.

#### April 5-6<sup>th</sup> 2008 Hilltoppers MC, 29 Palms Wild West Grand Prix

It will be here before you know it. Get ready for the most kick ass GP of the year. We need all hands on deck, mark it on your calendars now. The course will rule as usual and we're looking for a great turn out. All kinds of work to do, we'll put you to work.
