March 2010 Newsletter

The Hilltoppers mourn the loss of a great friend and long time member Gary "Gar" Woolley. He passed away March 10, 2010.

Gary joined the Hilltoppers in 1963 and never looked back. He was an avid racer, rider, and more importantly, a great friend to everyone in the club. We will miss him dearly - from his expertise in sliding old triumphs to building world class chicken drop stadiums. The ever present Woolley grin was always a welcome sight and will be remembered by all.

Godspeed Gar, we'll miss you!
