Newsletter June 2007

Wipe the cobweb's off, the ole newsletter is back.

I was waylaid in a Tijuana lock-up for the last few months, please forgive the lapse.

Past Events:

Hilltoppers MC 29 Palms Grand Prix, April 07

Thanks to everyone for helping to put on a great event. We had over 1271 riders this year and it was, without a doubt, one of our smoothest GP's to date. Way to kick some serious ass – everyone pitched in and got dirty. A note from Prez Harry, give yourself a pat on the back as you read it.

Letter from the President

May 11, 2007

I would like to take this opportunity to thank all Hilltoppers, family and friends who attended and worked the 33rd Annual Hilltoppers 29 Palms Wild West Grand Prix March 31st & April 1, 2007 and also Thanks to all of the Captains, Officials and Officers for fine job well done. I would like to extend a Special Thank You to Brian Hoffmann, members and friends from 29 Palms who spent many days preparing the track, coral and camp grounds for the event, the addition of a new water tank, the Coral Challenge Course and also all their hard work during the event. The Race was very successful with 1272 entries, everything went smoothly and there were a minimum of minor problems. The scoring this year was great, Bill and Lori Bateman & Crew did fine job. All Races had official result within one hour from each event and Trophies were handed out by our Signup people after two hours of each event. Great Job Bill and Lori and to all who was involved in this task!

This Big 6 Series is still the largest Series in the United States and is getting bigger, and is actively pursuing big name sponsors to support the Big Six Series. The Big 6 encourages continued professionalism at all of the Big 6 Series events. Name sponsors are impressed when they observe professionalism and consistency.

Let me thank everyone once again for a job well done and hope to see ya soon.

Sincerely,

Harry Klaus – President

Hilltoppers M.C. Inc.
