What's the word in Hilltopper Country?

Membership - Dues are still due. No list this time but please show a little Hilltopper love and pay your dues. Annual membership is \$36.00 -- Associates Membership is \$18.00.

Make checks payable to: Hilltoppers MC, 5482 Santa Catalina, Garden Grove, CA 92845

New Race Jersey's - The club has 50 new race jerseys.

The quantity and sizes ordered are as follows:

7 Medium, 10 Large, 15 XL, 12 XXL (w/ 3" extra for tucking in pants), 6 XXXL (w/ 3" extra for tucking in pants)

Jerseys are done and for sale. They will be available at the Viewfinder GP next week if you want to check em' out in person and buy one or two. The cost of the jerseys is now \$25.00 to Hilltopper members. This is down from the original price of \$30.00. We received a refund on the total cost as there were some mix-ups by the maker (see Art Foreman for details, nice work!). If you paid \$30.00 for your jersey you are due a refund of \$5.00 – contact PeeWee and a check will be mailed sooner or later.

Email Address list: I'm trying to get updated email addresses for everyone in the club. If you have an email address (insert Pete Brown joke here) please send it to me at SVince@2roads.com. I will send the list to everyone once it's done.

Future Events:

Viewfinders GP at Ridgecrest, Sept 30th – Oct 1st

Going to be a great weekend of Big 6/7 racing. Lots o' Hilltoppers will be there, there's no better time to GP than now. Mark Slater makes his return (hopefully triumphant) to the GP series after blowing up his colon. Be there to catch all the hot race action and pick up your new HTMC race jersey.

Hilltopper Club Ride Oct 7-8th, Soggy Dry

That's right, time for another fun ride, campout, party.

Bring friends, family and whatever desert toys you like. We're getting things organized for the desert race and it'll be great to have everyone out for a good time. This is not a work weekend. We'll be scouting the course and what not but basically just riding and hanging out. No Excuses! Let's see everyone out there for a good time.

Club will provide BBQ for Saturday night, you're on your own for everything else. We'll be out Friday night, staying through Sunday. *Directions:* Bessimer Mine Rd @ Soggy dry, just North of the lakebed on the left hand side (where we stage for the desert race).

Hilltopper Desert Scrambles – Oct 28-29th , 2006

The course is just about set and only needs a bit of tinkering to be finalized. The fliers are done and going out in the D37 Newsletter in a few days. Please let me know if you cannot work or help out on race weekend. I understand Post-Race clean-up was a nightmare and left for everyone else to do. We'll work on that and have a solid plan to fix it this year.

We need all hands on deck for this race. Please bring any family and friends that can help out. If you cannot make it on race weekend let me know. I've included a short list of race assignments below. We need a few jobs filled and can always use volunteers for race day. If you don't want your current job or see something that's not covered please let us know ASAP. As you guys know, everything is subject to change – any/all suggestions are welcome.
